JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

134. No barber shall shave any person when the surface to be shaved is inflamed or broken out or contains pus, unless such person be provided with a cup and shaving brush for his individual use.

135. No person shall use a barber shop as a dormitory, nor shall any owner of said barber shop permit said shop to be so used.

136. The owner of every barber shop shall keep a copy of these rules, to be furnished by the board of health, posted in said shop for the guidance and information of persons working or employed therein.

137. Any barber or owner violating any of the provisions of this regulation shall be guilty of a misdemeanor.

Annual Sanitary Inspection of Cities and Villages. (Reg. Bd. of H., July 25, 1913.)

138. The health officer in each city and village in the State of South Dakota shall make a thorough sanitary inspection of his municipality in the month of May, and present written report of such inspection, together with his recommendations, to the council on or before the 1st day of June of the year in which the inspection is made. The health officer shall send a copy of this report to the State board of health before July 1 of the same year. Other sanitary inspection shall be made during each year, if deemed necessary.

139. Preceding the regular May sanitary inspection the health officer in each city and village shall publish in a local paper or by means of bills posted in two or more conspicuous places an order for the citizens to thoroughly clean all yards, vaults, cesspools, and all sheds or barns containing manure on or before a given date. If upon inspection this general order is found not to be carried out, then like individual notices shall be served.

Embalming—Burial. (Reg. Bd. of H., July 25, 1913.)

140. *Embalmers.*—Every funeral director or embalmer who wishes to qualify as competent to prepare a body for burial or transportation shall comply with the following requirements: He shall make application to the State board of embalmers for a license. Such application shall contain the name of the applicant in full, age, and place of residence. It shall be indorsed by a licensed embalmer and two registered physicians of good repute as to the applicant's general standing.

The examination shall consist of:

(a) A written examination of not less than 50 questions upon the following subjects:

	Questions.
Anatomy of the principal organs of the body.....	10
The cavities of the human body.....	5
Arterial and venous system.....	10
The blood and discolorations.....	5
Arterial and cavity embalming.....	10
Bacteria and disinfection.....	6
Transportation rules.....	4

The applicant must attain a proficiency of 75 per cent on the entire examination.

141. The remains of the dead must be prepared for burial or shipment by a licensed embalmer.

142. Railroad officials and employees throughout the State of South Dakota must not receive for shipment the remains of any dead person unless the same have been prepared by a licensed embalmer.

143. *Embalming fluids.*—In the shipment of the dead in South Dakota not less than 8 parts by weight of embalming fluid to 150 parts of body weight shall be used for arterial embalming. In addition, in any case of contagious, infectious, or communicable disease, the body shall be washed and all orifices plugged with an absorbent material saturated with a formaldehyde solution, and not less than 8 parts by
